Gateway GW1

User manual - EN

Product Description

Gateway GW1 is a mini Smart gateway. It consists of a highly integrated Wi-Fi module, low power-consuming Zigbee module, and PCBA. It can be connected to the **iGET HOME** app for device adding, reset, third-party control, and Zigbee group control, meeting smart home requirements.

Preparation For Use

- 1) Find the QR code from the user manual and scan it to download the App. Or use Google Play or the App store to search for it
- 2) Open the bluetooth of your phone, in iGET HOME click on the 'Add device' or '+' in the upper right corner, and select 'Gateway GW1'
- 3) The gateway to be added will automatically appear, and please follow the instructions in the App

App iGET HOME:

Google Play

App Store

Netweight	33 g

Packing List

- iGET HOME Gateway GW1
- Data cable
- Adapter
- User manual

Warranty Rules

For household use: The given symbol (crossed-out wheeled bin) on the product or at accompanying documents means that used electrical and electronic products should not be disposed of with household waste. To ensure proper disposal of the product, hand it over to a designated collection point, where it will be accepted free of charge. The correct disposal of this product will help to save valuable natural resources and prevent any potential negative impacts on the environment and human health, which could otherwise be caused by inappropriate disposal of wastes. For more details, please, contact your local authorities or the nearest collection point. The improper disposal of this waste can be penalized in accordance with national regulations. Information for users to disposal of electrical and electronic devices (corporate and business use): For proper disposal of electrical and electronic devices, ask for details from your dealer or distributor. Information for users to disposal of electrical and electronic devices in other countries outside.

EU: The above mentioned symbol (crossed-out wheeled bin) is valid only in the countries of EU. For proper disposal of electrical and electronic devices, ask for details from your authorities or dealer. All is expressed by the symbol of crossed-out wheeled bin on product, packaging or in printed materials.

Set up the claim for warranty repair of device at your dealer. If you have technical questions or problems, contact your dealer. Follow the rules for working with electrical equipment. The user may not dismantle the device or replace any part of this. Opening or removing the covers poses the risk of electric shock. In case of incorrect reassembly and subsequent connection you are also exposed to electric shock.

Declaration of Conformity:

Company INTELEK.CZ s.r.o. hereby declares that all GW1 devices are in compliance with essential requirements and other relevant provisions of Directive 2014/53/EU. The full text of the EU Declaration of Conformity is available on this website www.iget.eu.

The warranty period of the product is 24 months, unless stated otherwise.

This device can be used in the following countries bellow.

Italy - The conditions for using the WiFi network are described in the so-called Electronic Communications Code

Norway - The 2.4 GHz limitation applies only to the area 20 km from colony of Ny-Ålesund.

RoHS: The components used in the device meet the requirements on the restriction of hazardous substances in electrical and electronic devices in accordance with Directive 2011/65/EU. The RoHS declaration can be downloaded from www.iget.eu.

Operation of radio equipment:

CZ: This radio equipment can be operated in the Czech Republic under the General Authorizations VO-R / 1 / 05.2017-2 and VO-R / 12 / 09.2010-12.

SK: This radio equipment can be operated under General Authorizations VPR - 07/2014, VPR - 02/2017 and VPR - 35/2012.
